

Resources Application Form

Education for all re-uses school furniture that would otherwise be sent to landfill by putting it to good use in classrooms in developing countries. By enhancing the school environment and providing teacher resources we create long term improvements in access to quality education. Education for All is involved in humanitarian response planning, and we provide education supplies and logistics to emergency affected areas.

Any UK or Overseas Charity or community based organization can apply for our resources by filling in this application form and telling us more about your organisation, what resources you would like and how these would be used. Please post or email the completed form to the address below.

If you are unsure of the resources we have, think of all the loose furniture and equipment that you would normally find in a UK secondary or primary school and let us know what you would like and we'll let you know if we have it or will be in the future.

You are also welcome to come and visit our warehouse to see what we have before you complete your application if you wish, please pre-book a visit by email or telephone.

Delivery can be arranged anywhere in the world at a variable rate depending on the distance and volume of goods, please contact us for more information.

We will contact you as soon as your application has been assessed, in the meantime don't hesitate to contact us if you have any questions:
